China International Import Expo 2018 in Shanghai

From 5th to 10th November 2018, the first China International Import Expo (CIIE) will be held at the National Exhibition and Convention Center in Shanghai. DUMA-BANDZINK and EMG will be represented together and present the Integrated Solution.

CIIE is an important platform to promote bilateral trade relations between China and other countries in the world. In total, more than 2,800 companies will participate in the show, including more than 200 Fortune 500 companies and industry leaders. At the National Exhibition and Convention Center (Shanghai), the world's largest single building and exhibition complex, more than 100 new products, technologies and state-of-the-art goods will be presented on 270,000 square meters, according to preliminary figures.

The CIIE is the first national trade fair focusing on world imports and marks a unique and great start in international trade promotion. The CIIE motto „New Era, Shared Future“ follows the principles of the „Belt and Road“ initiative and offers the opportunity for comprehensive consultation, partnership and joint benefits.

We are happy to welcome you there on booth 3A3-003!
